The Ellis Island Experience  
U.S. History II  
Mr. Raby

Choose one of the following roles.

- You are an immigration inspector working on Ellis Island. Write a diary description of your work experience on one day. Address what you do, how hard it is to do it, and your good and bad experiences that day.

OR

- You are an immigrant from Europe going through Ellis Island. Tell where you came from, why you came to America, your experiences aboard ship, what it was like first seeing the American shore, what it was like going through Ellis Island, and what you hope for in the United States.

Make sure no matter what role you choose you include at least five specific elements of your experience.
