

The ERA

Please cite four reasons from each article on the ERA that help to support its opinion. (8 Points)

For	Against
1.	1.
2.	2.
3.	3.
4.	4.

Based on the information that you have read, would you vote for or against the Equal Rights Amendment? Please cite at least two reasons to support your position. (10 points)

If you were in charge of building codes for a major city, what regulations would you put in place for the number of bathrooms for men and women in buildings in your town. What would be the fairest arrangement. Consider the articles below as you create your response. Please explain your plan and why you think it is the best solution in at least five lines. (Five points)
